

## CALLUS CORNS LIFT RIGHT OFF

Doesn't hurt to lift them  
off with fingers

Don't suffer! A tiny bottle of Freezone costs but a few cents at any drug store. Apply a few drops on the corns, calluses and "hard skin" on bottom of feet, then lift them off.

When Freezone removes corns from the toes or calluses from the bottom of the feet, the skin beneath is left pink and healthy and never sore or tender.

### Two Simple Questions.

The Rev. Dr. Phillips sat in his study one Sunday morning going over the heads for his forenoon sermon. Suddenly his five-year-old granddaughter entered with an air of importance.

"Grand-daddy," she said, "I want to ask you somethin'."

"Honey," said the clergyman, "grand-daddy is very busy. Run away now and come back this afternoon."

"But it'll only take you a minute to tell me," persisted the little one.

"Well," he said, knowing from past experiences that she was not to be dissuaded from her purposes, "if it will take only a minute, go ahead. What is it you wish me to tell you?"

"I want," said the child, "to know about condensed milk and the Immaculate Conception."

## AS YOUNG AS YOUR KIDNEYS

The secret of youth is ELIMINATION OF POISONS from your body. This done, you can live to be a hundred and enjoy the good things of life with as much "pep" as you did when in the springtime of youth. Keep your body in good condition, that's the secret.

Watch the kidneys. They filter and purify the blood, all of which blood passes through them once every three minutes. Keep them clear and in proper working condition and you have nothing to fear. Drive the poisonous wastes and deadly uric acid accumulations from your system. Take GOLD MEDAL Haarlum Oil Capsules and you will always be in good condition. You will feel strong and vigorous, with steady nerves and elastic muscles. GOLD MEDAL Haarlum Oil Capsules are imported direct from the laboratories at Haarlum, Holland.

They are a reliable remedy which has been used by the sturdy Dutch for over 200 years, and has helped them to develop into one of the strongest and healthiest races of the world. Get them from your druggist. Do not take a substitute. In sealed packages—three sizes.—Adv.

But the man who thinks he knows it all hasn't sense enough to know that he doesn't.

For Colds, Catarrh or Influenza

Do you feel weak and unequal to the work ahead of you? Do you still cough a little, or does your nose bother you? Are you pale? Is your blood thin and watery? Better put your body into shape. Build strong!

An old, reliable blood-maker and herbal tonic made from wild roots and barks, is Dr. Pierce's Golden Medical Discovery. This "nature remedy" comes in tablet or liquid form. It will build up your body, cure your cold, and protect you from disease germs which lurk everywhere. One of the active ingredients of this temperance alternative and tonic is wild cherry bark with stillingia, which is so good for the lungs and for fevers; also Oregon grape root, blood root, stone root, Queen's root, — all skillfully combined in the Medical Discovery. These roots have a direct action on the stomach, improving digestion and assimilation. These herbal extracts in the "Discovery" aid in blood-making, and are best for scrofula. By improving the blood they aid in throwing off an attack of influenza.

Catarrh should be treated, first, as a blood disease, with this alternative. Then, in addition, the nose should be washed daily with Dr. Sage's Catarrh Remedy.

## HOW CAN YOU TELL YOUR FAVORITE TOBACCO?

As Plain as the Nose on Your Face—Just Smell It

Smokers do not have to put tobacco in their pipes to find out if they like it. They can just rub the tobacco between the palms of their hands and smell it. The nose is an infallible guide to smoking enjoyment.

All smoking tobaccos employ some flavoring "to improve the flavor and burning qualities of the leaves", to quote the Encyclopedia Britannica. Naturally, there is considerable difference in the kind of flavorings used, and the nose quickly detects this difference. TUXEDO Tobacco uses the purest, most wholesome, and delicious of all flavorings—chocolate. And the almost universal liking for chocolate in a great measure explains the widespread popularity of TUXEDO Tobacco.

Carefully aged, old Burley tobacco, plus a dash of pure chocolate, gives TUXEDO Tobacco a pure fragrance your nose can quickly distinguish from any other tobacco. Try it and see.

## WOMAN WORKS 15 HOURS A DAY

Marvelous Story of Woman's Change from Weakness to Strength by Taking Druggist's Advice.

Peru, Ind.—"I suffered from a displacement with backache and dragging down pains so badly that at times I could not be on my feet and it did not seem as though I could stand it. I tried different medicines without any benefit and several doctors told me nothing but an operation would do me any good. My druggist told me of Lydia E. Pinkham's Vegetable Compound. I took it with the result that I am now well and strong. I get up in the morning at four o'clock, do my housework, then go to a factory and work all day, come home and get supper and feel good. I don't know how many of my friends I have told what Lydia E. Pinkham's Vegetable Compound has done for me."—Mrs. ANNA METERIANO, 86 West 10th St., Peru, Ind.

Women who suffer from any such ailments should not fail to try this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound.

Whiskers Reappearing.

A noticeable feature in masculine appearance is the increasing fashion of whiskers. At present they are only small affairs of the Albert variety, made popular by the prince consort. The whisker is no longer than two fingers' breadth, but there is no telling what dimensions these side products of the war may assume.

It is an army fashion, just as beards were an after-growth of the Crimean. The present whisker originated among officers whose right arm, stiff or impaired through wounds, cannot be raised easily to the level of the ear, and so prevents a clean shave to the top of the cheek.—London Chronicle.

## Health Was Shattered

Mrs. Hayes Was Discouraged Until Doan's Made Her Well.

"I was in awful shape from kidney trouble," says Mrs. Frank Hayes, 42 Dover St., Boston, Mass. "When I got up out of a chair, I felt as though someone had stuck a knife into the small of my back and it fairly took my breath away."

"The kidney secretions passed often and only a little at a time. They were so scalding I would scream so I believe I could be heard a block away. They deposited brick-dust-like sediment and their odor was something awful. My complexion became sallow and I had large puffs under my eyes."

"I was troubled with spells of gasping for breath and had such dizzy attacks I often fell right over. Spots floated before my eyes and I got so nervous I couldn't stand any noise. I cried over nothing at all, became irritable and imagined all sorts of things. My health was shattered and I became discouraged."

"I continued to grow worse in spite of any treatment and came pretty near dying several times. After several months of this horror, I heard about Doan's Kidney Pills. I used a dozen boxes of Doan's and was cured. I was entirely well and have enjoyed good health ever since."

## THE KITCHEN CABINET

Kindly words, sympathizing attentions, watchfulness against wounding men's sensitiveness—these cost very little but they are priceless in their value.—F. W. Robertson.

### TASTY DISHES.

Now that fresh eggs are becoming more plentiful, we may indulge in various egg dishes, which add to the variety of the menu.

**Baked Eggs.**—To two cups of hot cooked rice add two tablespoonfuls of butter, one third of a cupful of milk, one-half teaspoonful of salt. Beat vigorously three minutes, add one and one-half canned pinetoes, force through a strainer, and continue beating until the mixture is well blended. Pile on a buttered baking dish and make six cavities. In each cavity drop a raw egg and bake until the eggs are set.

**Allerton Potatoes.**—Cut two cupfuls of cold boiled potatoes into cubes. Separate the yolks and whites of four hard-cooked eggs. Chop the whites and force the yolks through a potato ricer or strainer. Add potato cubes and chopped whites to one and one-half cupfuls of white sauce, and turn on a hot serving dish. Sprinkle with yolks and garnish with parsley.

**Macaroni With Eggs.**—Break into inch lengths one cupful of macaroni. Put to cook in boiling salted water; when full and tender, drain and put a layer into a buttered baking dish, cover with half a cupful of good white sauce, two sliced hard-cooked eggs, a teaspoonful of scraped onion, then repeat, using the rest of the macaroni and two more eggs with another half cupful of white sauce. A half cupful of cheese may be added for flavor, and it will also add to the food value of the dish.

**Boiled Fish With Egg Sauce.**—Steam a firm whitefish until tender, and serve with a white sauce to which has been added two chopped hard-cooked eggs and a finely minced sour pickle.

**Escalloped Egg and Rice.**—Put three tablespoonfuls of rice in a frying pan and brown in a tablespoonful of hot fat; when a light yellow, add enough water to cook it until tender, then while hot stir in two or three eggs, seasoning with salt and pepper. When the eggs are cooked serve at once. This dish will serve four or five people, and will taste nearly as well as if it were composed entirely of eggs.

Sometimes we love the vision bright  
That leads us on through dark the night.

But life's ahead whatever befall  
And come what may, we're comrades all.

### FOOD FOR THE FAMILY.

When there are two cupfuls of well seasoned mashed potato left add two eggs, slightly beaten, two tablespoonfuls of pinetoe puree and salt and pepper; mix well and set away to chill. Later the croquettes are shaped, dipped in egg and crumbs, and when time to serve are fried in deep fat until delicately browned.

**Creamed Fish in Scallop Shells.**—Melt three tablespoonfuls of butter, add three tablespoonfuls of flour and when well mixed add one cupful of milk which has been scalded, with one slice of onion, a sprig of parsley and a bit of bay leaf. Bring to the boiling point; add one and three-quarters cupfuls of flaked fish and season with salt and pepper. Fill buttered scallop shells with the mixture, cover with cracker crumbs and bake until brown.

**Baked Lobster in Shell.**—Remove the meat from a two-pound lobster and cut in cubes. Heat in one and one-half cupfuls of white sauce and add salt, cayenne and two teaspoonfuls of lemon juice. Refill the body and tail shells, cover with buttered crumbs and brown. To prevent the lobster from curling over while baking, insert small wooden skewers of the right length to keep the shell in its original shape.

**Onion Purée.**—Cook onions until tender; drain, dry and force through a sieve; there should be two cupfuls. Melt two and one-half tablespoonfuls of butter; add two tablespoonfuls of flour and stir until well blended, then pour on one-half cupful of milk. Bring to the boiling point; add the onion purée and season with salt and cayenne.

**Creamed Mushrooms on Toast.**—Clean and peel one pound of mushrooms; cut in slices. Melt five tablespoonfuls of butter, add the mushrooms, sprinkle with salt and pepper and dredge with one and one-half tablespoonfuls of flour; pour over a half cupful of thin cream and cook five minutes. Serve on oblong pieces of buttered toast and garnish with toast points and parsley.

Mushrooms cooked as above and served in a thin white sauce as a vegetable make a most acceptable dish.

*Nellie Maxwell*

### No Drawback.

The best story accredited to Sir As-ton Webb, president of the British Royal academy, concerns a politician. "I wonder what he'll do now?" said one. "What's the matter with him?" "He's lost his reason," replied the other. "Oh, that won't matter, so long as he retains his voice!" was the rejoinder.

## I am Sincere! Stop Calomel! I Guarantee Dodson's Liver Tone

Listen to me! Calomel sickens and you may lose a day's work. If bilious, constipated or headachy read my guarantee.

Live up your sluggish liver! Feel fine and cheerful; make your work a pleasure; be vigorous and full of ambition. But take no nasty, dangerous calomel, because it makes you sick and you may lose a day's work.

Calomel is mercury or quicksilver, which causes necrosis of the bones. Calomel crashes into your bile like dynamite, breaking it up. That's when you feel that awful nausea and cramping.

Listen to me! If you want to enjoy the bluest, gentlest liver and bowel cleansing you ever experienced, just take a spoonful of harmless Dodson's Liver Tone tonight. Your druggist or dealer sells you a bottle of Dodson's Liver Tone for a few cents under my

personal money-back guarantee that each spoonful will clean your sluggish liver better than a dose of nasty calomel and that it won't make you sick.

Dodson's Liver Tone is real liver medicine. You'll know it next morning, because you will wake up feeling fine, your liver will be working; headache and dizziness gone; stomach will be sweet and bowels regular.

Dodson's Liver Tone is entirely vegetable, therefore harmless and can not sicken. Give it to your children. Millions of people are using Dodson's Liver Tone instead of dangerous calomel now. Your druggist will tell you that the sale of calomel is almost stopped entirely here.—Adv.

## ITCH!

A WAR-TIME ILL THAT'S SPREADING  
HUNT'S SALVE CURES IT!

BRED in the war trenches of Europe, a wave of ordinary ITCH is spreading over the country. This skin disease, history shows, has always prevailed, following wars and the concentration of armies. It was common during the Civil War and following that conflict. There was an epidemic of the Itch after the Spanish-American War. Now history is repeating itself after the great European struggle.

Returned soldiers and those with whom they come in contact will find a recognized remedy for the Itch in Hunt's Salve, commonly known as "Hunt's Itch Cure." Many a veteran of the late 90's will testify to its merits. If directions are followed HUNT'S SALVE will prove a never failing cure for all forms of the Itch, and your druggist will tell you so. He sells HUNT'S SALVE under a strict guarantee to refund the purchase price to any dissatisfied user.

A Medford, Oklahoma man, among thousands who praise HUNT'S SALVE, says:

"Some people dislike to call it the Itch, but candor compels me to admit I had it badly. Your Hunt's Salve, however, cured me after many other remedies had totally failed. One box completed the cure—the first application afforded wonderful relief. My advice to those who have to scratch, is to use Hunt's Salve. Hunt's Salve is especially compounded for the treatment of Itch, Eczema, Ringworm, Tetter and other itching skin diseases and is sold on our guarantee by all reliable drug stores, or it will be sent direct by mail if your local druggist cannot supply. Price 75c per box. A. B. RICHARDS MEDICINE COMPANY, INC., SHERMAN, TEXAS.

## THIS LIFE MERE PATCHWORK RANKS WITH WORLD'S GREAT

Pleasant to Think That in the By-and-By All Things Will Have Full Completion.

Life at best seems only a patchwork. By the time the artist learns to paint a picture which is considered worth while, his hand has become shaky, nervous or palsied, and he cannot paint the thing in his heart for which, all his life, he had been preparing. By the time the business man has earned enough money to keep him in comfort for the rest of his days he has often lost his capacity to enjoy the fruits of his labor. When the mother has raised her boy to manhood her offspring leaves her for the sake of someone he loves better, and by the time the man learns to really appreciate his mother she is taken from him. Nothing seems ever quite finished, quite nature, quite as it should be in this world. Perhaps in the by-and-by on another planet we shall all find that every incomplete thought and work of our lives has been fitted into the completed temple of life which we may then inhabit forever.—Los Angeles Times.

### Result of Work.

"Maud Ketchum's hands do not show any signs of toil." "The one with the engagement ring on it does."

When a dog barks at the moon all night it is a sure sign of insomnia on the part of the dog—and others.

Achievements of Sir Isaac Newton Give Him an Assured Place Among Immortals.

According to a legend, which, however, is seriously considered by certain authorities, in the year 1655 the fall of an apple as Newton sat in his garden suggested the most magnificent of his subsequent discoveries—the law of universal gravitation. On his first attempt to explain the lunar and planetary motions he employed an estimate then in use of the radius of the earth which, based on the value of a degree of latitude then prevalent, was so erroneous as to produce a discrepancy between the real force of gravity and that required by theory to explain the motions and indicated only an approximate verification of his theory. Accordingly, he abandoned for a number of years the hypothesis that a homogeneous attracting sphere behaved as if all matter was concentrated at its center, and took up other studies, consisting chiefly of investigations of the nature of light and the construction of telescopes. He also propounded new theories on light and color. Newton died March 20, 1727 (old style), and his remains were interred in Westminster abbey.
